This is a list of all the planning applications which The Gardens Trust has logged as receiving over the past week. The Gardens Trust is the statutory consultee in England for registered parks and gardens, plays a key conservation role, and more widely supports the County and Country Gardens Trusts in protecting and conserving our landscape heritage. The Gardens Trust was formed in 2015 from the merger of the Garden History Society (GHS) and the Association of Gardens Trusts (AGT). Further details can be found on our website [www.thegardenstrust.org](http://www.thegardenstrust.org) If you have concerns about any of the applications and wish to discuss, please contact your local County Gardens Trust in the first instance via the contact details given on the Gardens Trust website.
