[Search Results \(burnley.gov.uk\)](#) Detail from the Heritage Statement: 6.7 To recap, Holme Hall has recently gained planning consent for conversion to form 10 apartments which followed fire, theft and vandalism that resulted in loss of the historic fabric. Through a mitigation strategy the public benefits of the proposal to secure the future of this listed building were deemed sufficient to outweigh the harm to its significance. A search on the planning page has shown many applications for work on Holme Hall, which don't appear to have been submitted to JCNAS.
