Grade I, Park/Garden - Grade II*

Received 30/08/2024 **Deadline** 20/09/2024

Greenhouse/ orangery attached to main house:

I am writing in relationship to a project we are working on at Dyrham Park to re-roof the Greenhouse. We have been in consultation with the NT specialist Advisory group in the development of the designs and we are now at pre-application stage for our design proposals, which have been submitted to the local authority today and have been shared with Historic England.

We would like to request pre-application consultation from the relevant amenity societies, which I hope you might be able to assist with.

As such, please find attached our pre-application documents for the proposed works.

Please let me know if there is anything else which you require

Winchester City Council

Grade II, Park/Garden - Grade II

Received 28/08/2024 **Deadline** 11/09/2024

I'm working with the owner of Sparsholt Manor on plans for small amendments to the gardens there, it is a Grade II listed Park and Garden. We are looking to submit an application for changes to the gardens and wanted to run our proposed changes through a pre-planning process. Although we as a team have fed in to planning applications for new builds/alterations before this is the first application we have led on for changes to a listed garden. Our proposals are highly sensitive to the historic importance of the garden and we think represent an overall improvement to them. We would look to engage with other key local stakeholders as part of the application. I would be grateful to hear back from you at your earliest convenience with any feedback on the preplanning document and any alterations required to move forwards to the next stage.
