

CONSERVATION CASES PROCESSED BY THE GARDENS TRUST 05.112020

This is a list of all the conservation consultations that The Gardens Trust has logged as receiving over the past week, consisting mainly, but not entirely, of planning applications. Cases in England are prefixed by 'E' and cases in Wales with 'W'. When assessing this list to see which cases CGTs may wish to engage with, it should be remembered that the GT will only be looking at a very small minority.
