The Gardens Trust continues to publish *Garden History*, our academic journal, under the editorship of Barbara Simms. *Garden History* began publication in 1972 as the journal of The Garden History Society, until the summer 2015, and is now the journal of [The Gardens Trust](#), the successor organisation. Our numbering system and editorial policy remain the same. The journal is published twice yearly, in Summer and Winter, with occasional Supplementary issues. All issues of our journal *Garden History*, our earlier publication, the *GHS Quarterly Newsletter*, and our earlier *Occasional Papers* are available from our publishers (articles listed below). Our journal also contains Book Reviews, unlisted.

Cost of back issues is £18.00 plus postage, with discounts for bulk orders.

To order current or back issues, contact our printers: +44 (0)1787 249 286 (credit card orders can be taken by phone). or mail: **Garden History Back Issues**, 47 Water Street, Lavenham, Sudbury CO10 9RN, England.

Or email our printer with your enquiries.

Alternatively, if you have access to JSTOR, articles can be viewed from there.

We currently have a three year cut-off period (up to and including 2018), meaning our most recent articles can **only** be seen in hard copy.

We will be publishing a Special Issue in 2022 celebrating the first 50 years of our Journal, which will revisit some seminal articles published over the years. Many articles first published in *Garden History* went on to become the classic books on the subject.
