In compartments 31e, 49b and 32e regeneration felling is going to be undertaken focusing on the removal of ash suffering from dieback; alongside this there will be an element of thinning. Deadwood will be left where it is safe to do so as per UKFS. Restocking will be carried out and protected from herbivores; a small element of mixed conifer (10%) is going to be introduced.. Plant Health Grant to be applied for. It is worth noting that in 31e that there is a significant area of open space that is not currently stocked. 32b is adjacent to Bilton Beck; measures identified in the UKFS, alongside good practice, will be undertaken to ensure there is no	05/01/2023

							impact on the waterway. Compartment 44 is going to undertake a 30% thinning. Elements of the felling are within the Braham Park Registered Park and Garden; no significant environmental or landscape impact has been identified by the felling and restocking. andrew.macphail@forestrycommission.gov.uk
