"Full Planning Application for the Construction of a Solar Farm together with all Associated Work, Equipment and Necessary Infrastructure" (Application Reference: 22/00537/FUL).

I am writing to you as the Appellants have invited the Inspector to determine the appeal on the basis of a revised Site Layout and Landscape Strategy - Amended Scheme Site Layout & Landscape Strategy (P19-2022_24 Revision C) - which includes a number of amendments to the scheme as refused permission by the Council in September 2023. These changes are being made for two main reasons. The first is to correct minor errors shown on the Refused Scheme plan, and secondly because the Appellant considers that the changes can improve the scheme. These proposed changes are as follows:

- Amendment A - The PRoW alignment has been corrected on the Amended Scheme Plan.

- Amendment B - On the Amended Scheme Plan the hedgerow notation has been updated to reflect that this offsite hedgerow is no longer present.

- Amendment C - This offsite PRoW has now been shown on the Amended Scheme Plan. 2

- Amendment D - The existing offsite hedgerow to the north of the canal has now been shown on the Amended Scheme Plan.

- Amendment 1 - To further reinforce hedgerows, regular hedgerow trees have now been added in Fields 6-9 on the Amended Scheme Plan.

- Amendment 2 - To further reinforce hedgerows, hedgerow trees have now been added in Fields 2, 6 and 8-10 on the Amended Scheme Plan.

- Amendment 3 - To reinforce hedgerows, hedgerows with regular hedgerow trees have now been proposed on the Amended Scheme Plan along the fence lines in Fields 8, 11, 12 and 13.

- Amendment 4 - The extent of solar panels has been reduced (by just over 2.2 hectares) in Field 13 on the Amended Scheme Plan to retain the view towards Belvoir Castle and to provide an extended area which will be suitable as a Skylark nesting area.

- Amendment 5 - On the Amended Scheme Plan the proposed orchard tree planting in Field 13 has now been moved eastward to open up views of Belvoir Castle for walkers and users of the recreational area.
- Amendment 6 - To provide additional context of the screening provided by nearby vegetation, this is now shown on the Amended Scheme Plan.
- Amendment 7 - An Information board has now been added to inform users of the PRoW of the view towards Belvoir Castle. We are now conducting a period of consultation to allow interested parties the opportunity to make comments on these amendments in respect of the appeal scheme.
