Somerset Gardens Trust - Cricket House

1 Homestead Cottages, Cricket St. Thomas, Chard, Somerset, TA20 4DW

Somerset Council

Grade II*, Grade II, Park/Garden - Grade II*, Undesignated

Received 08/07/2024

Deadline 08/07/2024

We recently submitted a pre-application enquiry to Somerset Council for the proposed conversion, extension, and alteration of an existing garage to provide annexe accommodation and a two-storey side extension to the main dwelling at 1 Homemead Cottages, Cricket St. Thomas, Chard, Somerset, TA20 4DW. The Local Authority provided a positive response and advised us, through Planning Officer Connor Chapman, to seek your thoughts and comments on our proposals before submitting a formal Planning Application.

Attached for your review are the following plans:

- **DRWG NO: MPA1:** Ground Floor Plan (existing and proposed)
- **DRWG NO: MPA2:** First Floor Plan (existing and proposed)
- **DRWG NO: MPA3:** Front Elevation (existing and proposed)
- **DRWG NO: MPA4:** Close-up and wide aerial photographs of the site for identification purposes

Several applications for this site have previously been either refused or withdrawn. The current proposal has been simplified to include the conversion, alteration, and extension of the existing garage to provide annexe accommodation, and a two-storey side extension to the main dwelling. This extension will include a study, shower room, and shared utility area on the ground floor, and an additional en-suite bedroom for the applicant's son on the first floor, creating a multi-generational dwelling for both the applicant and her family.

For further context, while Homemead Cottages are not listed buildings, they are within the curtilage of the Listed Garden of Cricket House. We would welcome your feedback on these proposals prior to submitting a formal Planning Application, so that any suggested amendments can then be considered and could be incorporated into the current plans, and any relevant comments can be included in the supporting Planning Statement.

We look forward to your acknowledgement of this email and the attached documents, as well as an estimated time frame for when we can expect your comments. This will enable us to inform our client and facilitate discussions on any observations you might have before finalising the full plans for the formal Planning Application submission.

Thank you for your time and consideration.
