Good afternoon,

I have been pointed in your direction with regards to the proposed improvements to the path network through Keep Hill Woods. I'm not sure if any of my colleagues have previously been in touch or if you are familiar with the scheme so I have attached the scoping report and outline designs. You will see that the northern area runs through the Wycombe Abbey Registered Park and Garden and so reaching out to consult yourselves accordingly and get your views. For further context, detailed designs have been completed and we are now looking ahead to planning the implementation although before we do, I wanted to reach out to yourselves although I don't believe there will be a significant impact. Do let me know the best format to consult with yourselves/if it is easier to discuss this over the phone and if you have any specific questions.
