THE
GARDENS
TRUST

Parks and gardens contain lots of interesting things, some of which may have been built years, decades or centuries ago.

- Do you know what each of these things are?
- How many of these can you spot in your local park or garden?

Cross through each thing that you spot. When you find 5 objects vertically, horizontally or diagonally, shout...

How many different parks did you have to visit to find them all?

Not sure what a ha-ha, rockery or parterre is? Scan here to find out more:
