

Dear Park,

Yours sincerely,

THE GARDENS TRUST

More than half of all people who live in the UK visit their local park every month, but how many of us stop to appreciate how wonderful they are?

On your next visit, take a moment to notice the features, smells, sounds and people in your park and use these to write an imaginary letter, telling it how much you care about it!

What's your favourite part of the park?
eg. fountain, playground or statue?

Who helped design or build it?
Who looks after it today?

What sounds can you hear?
Children playing, dogs barking, birds tweeting?

What can you smell?
Flowers, trees, the café?

If your park disappeared, how would you feel?

What's your favourite memory of your park?

The Gardens Trust needs your help more than ever to continue our vital work protecting historic parks and gardens. Please consider becoming a member, donating or volunteering with us · <https://thegardenstrust.org> · Registered charity number: 1053446
