Garden History

Contents of the Gardens Trust's academic journal

Garden History is the academic journal of the Gardens Trust (formerly the Garden History Society), and was first published in 1972. It has been under the editorship of Dr Barbara Simms since 2003.

All issues of the journal and our two earlier *Occasional Papers* remain available as print copies. The digital library JSTOR at https://www.jstor.org/journal/gardenhistory hosts journal articles online a minimum of 3 years after their original publication in print.

Please note that book reviews have always been a feature of the journal, but only appear in this contents list from 2015.
